2. Short description of the organisation

Jessheim Videregående skole, avdeling Ullersmo fengsel- Jessheim upper secondary school, Ullersmo prison department (Jessheim vgs) is a department under an ordinary upper secondary school. For more than 25 years Jessheim vgs has been responsible for elementary and upper secondary level education inside 2 prisons, Ullersmo (high security, currently 190, rising to 286 male inmates from July 1st) and Kroksrud (lower security, 62 male inmates). In both prisons Jessheim vgs covers both general and vocational education. The vocational education covers mechanical education/car repair, building and construction/house building, food preparation/cookery, and technical janitor. In addition the school department also offers training courses for Norwegian and foreign inmates within Norwegian, English, ICT and various vocational topics. The current situation is changed, the prison has more foreign inmates. The school department has a total of 15 teachers, advisers and management, rising to about 18-19 in august. The number of student varies, but the school has a capacity of 80 students at Ullersmo, and 25 students at Kroksrud . The age of the students ranges from 19 to 60 with the majority between 22 and 35.
